

## AUSTIN EDDY

Nato a Boston nel 1986, Austin Eddy attualmente vive e lavora a New York. Ha conseguito una laurea presso l'Art Institute di Chicago nel 2009.

L'artista realizza opere autobiografiche al confine tra figurazione e astrazione.

Lavora con tecniche miste che comprendono pastelli, olii, cartoncini, pittura spray. Sono stati descritti come "Picassiani" per le forme spezzate e frammentarie che ricordano il Cubismo degli anni Venti. Questi lavori traggono ispirazione dalle relazioni personali dell'artista, che siano storie romantiche o l'incontro casuale con uno sconosciuto in un bar.

Eddy è stato incluso in varie mostre collettive nazionali e internazionali tra cui "Buying Friends" tenutasi presso l'Urban Institute of Contemporary Art di Grand Rapids Michigan.

Austin Eddy was born in 1986 (Boston). Eddy currently works and lives in New York. In 2009 he received a degree from Art Institute of Chicago.

The artist creates autobiographical artworks between representation and imagination. He uses mixed techniques such as crayons, oils, and papers. His paintings were described as "Picassiani" thanks to their disjointed forms that refers to Cubism movement and they are the result of the different personal relationship of the artist. In fact, Eddy takes inspiration from all the people he meets, whether it's possible romances or strangers he met at the bar.

Eddy was included in many national and international group exhibitions, among which "Buying Friends" exhibited at Urban Institute of Contemporary Art of Grand Rapids Michigan.
